### News From THE STATE SOLDIERS' HOME At Fort Dodge, Kas.

Miss Clara Wyant, who has been attending school at Hutchinson is home for a short time.

Fred W. Boyd and Mrs. Boyd started the 18th for Illinois on a visit, to be gone 60 days or until they get tired. We learn that it has been 60 years since they left those parts. Fred's mother is still living at 87 years of age.

Andy Everts of the old 4th Ohio, of the Gibraltar brigade, with Mrs. Everts went the 18th, to visit a sister of comrade Everts, at Hiawatha in Brown county. They have leave for 60 days, but we do not expect them to stay away from the Shortgrass country so long. Mrs. Everts is partially paralyzed and the trip is thought will be of benefit to her.

August Cronenberg, D. 1st Mo. Lt. Artillery, died on the 17th and was buried in the Home Cemetery the 18th. He was 66 yrs. of age, and served in the above organization 34 mo. and 6 days. He leaves a daughter and son, the latter a bright little boy who is becoming quite a fine bugler. Com. Cronenberg lost an arm while in the railway service. They came from Shawnee County, May 9th, 1904, and he is borne upon the records as being a "Railroader."

A fine supper was served by Victor post assisted by the W. R. C., the night of June 14. This was the day designated as Flag Day, because it is the anniversary of the adoption of the present U. S. flag, which was adopted by the Continental Congress June 14, 1777. We expected speakers from town, but were disappointed. However we had good speakers present, as brother Flat picked up the flag end of the line and carried it boldly aloft to the end.

We were blessed with a splendid rain the evening and night of the 17th. About 2.30 inches of water fell, with some hail. A tolerable healthy tornado was seen upon the highlands near Beeson. Comrade McBratney, 10th Ohio cavalry, who is our deputy postmaster, claims to have a "wireless" to the effect that not a house was left standing in Beeson. Some doubt is felt about this news, and that is why we are particular to state that Mac was in the 10th Ohio cavalry.

Victor Post has won new laurels. A fine album was presented to our delegates at Salina, as being the post making the second largest increase of any in the state. One other post having 7 members, increased its membership by 7, making 14 members, scoring an increase of 50 percent. That reminds me of the editor who said the circulation of his paper had doubled; whereas he had 1 subscriber, now he had 2. A campaign was held at the hall recently and comrade Newman in a few well chosen remarks, presented to the post the album spoken of above. Comrade Long, post commander.

## Epilepsy Fits St. Vitus Dance

Are nerve diseases, and unless checked, lead to destruction of both mind and body. The weak, shattered nerves must have something to strengthen and build them back to health. Dr. Miles' Restorative Nervine is a remarkable nerve tonic and stimulant. It strengthens the nerves, relieves the nervous strain, and influences refreshing body-building sleep and rest. Persistent use seldom fails to relieve these afflictions.

"I was taken with epileptic fits; had eleven in less than 12 hours. My father sent for our family physician, but he could do very little for me, and I grew worse every day, and at last I had three doctors with me, and I still got worse. My father heard of Dr. Miles' medicine, and bought a bottle of Nervine and a box of Serravallo's Liver Pills. I had taken only a few doses until I began to feel better. I took 12 bottles, and it cured me sound and well. It has been worth all the world to me. I recommend it wherever I go. You may use this as a life-long testimonial to the merits of your medicine, for I am enjoying the best of health, and feel that my life and health is due to this wonderful medicine."

DR. MILES' NERVINE is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.  
Miles Medical Co., Elkhart, Ind.

der. In a few feeling remarks, received the album for the post, and said that it was the intention to place the photographs of all members of the post therein, a new and happy thought. Mrs. Cronenberg was called to the organ, and music was interspersed between addresses to the close of the meeting. Comrade Dohy, one of the members of the board of managers, was called, and made us an interesting address. He landed in Kansas 51 years ago, when he was 11 years of age, and has been in Kansas ever since, except 3 years and 8 months when he was in the army. Comrade Lyon was called up, and made a very practical speech, dwelling particularly upon Grand Army matters and of the importance of every old soldier belonging to the same. He said last August was 40 years since he roamed over these plains, and it was a wonderful revelation to contrast the appearance of the country then to what it is now. Population and agriculture have made rapid strides, and where the buffalo, the elk and the festive Indian used to roam, you see the plow, the self blower and the header. Col. Thomas was called by the "wireless," and made an impassioned speech which wrought up the feelings of the old boys to a high pitch of enthusiasm. Col. Thomas exoriated that 10 percent, which is always making trials and troubles. We wrote once that Gov. Bowland of the national home at Leavenworth said that only 10 percent. of the members of that home were wholly bad. So bear this in mind, if in the course of human events we speak of the 10 percent. short addresses by Chaplain Newman, comrades Ross and Moore followed, and the notes of the inspiring Star Spangled Banner were sung and scattered for five or six blocks, when we retired to our several habitations. This was a good campfire and many old rails were piled upon the fire.

Our Quarter Master and wife have just returned from a business trip to Wichita and we are glad to see them back, as the Q. M. department had begun to thin out some what. We are bound to Comrade Weaver by strong ties as the old soldier orators would say, from our having participated in the battle of Winchester under Jimmy Shields and Nat Kimball. Hendley's history of the rebellion gives his regiment and our regiment the honor of deciding the gate of the battle, and this is said to have been the only engagement in which Stonewall Jackson was thoroughly whipped. The Reb. papers said that a part of Jackson's men were 40 miles up the valley the next day. What a fall was there my countrymen!

The farmers in this country are American citizens and believe in Liberty and Freedom of choice which is every man's right. The trust question compels the farmer to take sides he cannot ignore the situation, even if he wishes to do so. Aside from the moral question of right and wrong and whether right shall make right. There is the serious question of policy—the position of this company as Independent Dealers of Harvesting Machinery remains the same as it has been and we will continue to buy and sell the best.

The Johnston Harvester Co. says: "We are not in the trust. No stock holder in the trust holds any stock in the Johnston Harvester Co., and no stock holder in the Johnston Harvester Co., holds any stock in any other Harvesting Machine company, nor have we any agreement verbal or written, or stand in any position which in any way tends to compromise our independence." We will be glad to show you samples and give you prices, which will interest every farmer. If you are not acquainted with us please call and let us get to know you. Our guarantee and our manner of making good what we say will please you and be of great benefit to you for we say what we will do and do what we say. You can always find us when you need repairs.

We are very grateful to our customers and patrons for the way in which they have upheld our position as independent dealers. They will have no reason to regret their action, on the contrary they can always be sure of up-to-date machines and have the advantage of a good big line of repairs, which are on our shelves for all machines we sell and all at the right prices which are lower than the trust. Prompt, careful, courteous attention when they buy JOHNSTON Headers, Binders, Mower-Corn Binders, Hay Rakes and Disc Harrows.
